COUNTY OF EL PASO)

ANNEXATION AGREEMENT
AN08009

THIS AGREEMENT made and entered into this ____ day of _____ 2012, by and between the City of El Paso, Texas, a Municipal Corporation, of the County of El Paso in the State of Texas (hereinafter referred to as "City"), and Genagra, LP (hereinafter referred to as "Owner"); and,

WHEREAS, Owner is the owner of record of ("Owner's Property") a 20.552 acres out of a 21.3709 acre tract of real property described in Exhibit "A", which is attached to the Ordinance approving the annexation of this property and this annexation agreement (which real property is hereinafter referred to as "Property"), and which real estate is not within the corporate limits of any municipality but is contiguous to the corporate limits of the City; and,

WHEREAS, approximately a 0.8189 acre portion of the Property ("Roads") is not owned by the Owner but is included in the annexation application and this agreement at the requirement of the City; and,

WHEREAS, it is understood that the City shall be solely responsible for all necessary consents or approvals by the owners of the Roads for inclusion in this Agreement; and,

WHEREAS, Owner desires that the Property be annexed to the City in order to provide adequate and efficient improvements and facilities; and,

WHEREAS, Owner, after full consideration, accepts the terms and conditions cited in this Agreement due to the advantages and benefits resulting from the annexation of the Property; and,

WHEREAS, the City, after due and careful consideration, has concluded that should the City decide to annex the Property the annexation should be under the terms and conditions hereinafter set forth and that such terms and conditions are in the best interest of the City to protect and provide for the public health, safety, morals and general welfare.

NOW THEREFORE, in consideration of the mutual covenants and agreements herein contained and in the recitals set forth hereinabove, the parties hereto agree as follows:

One: Should the City annex the Property such annexation will be in accordance with the terms and conditions of this Agreement. This Agreement shall be an exhibit to the ordinance which annexes the Property and shall be incorporated for all purposes. It is understood by the Owner that there are significant costs to the City associated with the annexation of Property into the City and of paramount consideration for the City in entering into this Agreement is that the Owner participate in the municipal infrastructure costs and costs for providing municipal services as required in this Agreement.

Two: Owner hereby agrees that the development of the Property shall be in accordance with the applicable rules and regulations of the City, including Public Service Board Regulations in effect on the Effective Date of this Agreement, and subject to the application and payment of all necessary application and permit fees except as otherwise provided below in Section Three and Section Four of this Agreement. It is understood by the Owner that the requirements specified

below and specified in Section Three and Section Four of this Agreement are in addition to the requirements specified in the City of El Paso City Code, City ordinances, City rules and regulations, and Public Service Board Regulations, and Owner agrees to comply with such additional requirements. Owner agrees to develop the Property in accordance with the following additional conditions:

1. Development shall be constructed in accordance with the attached detailed site development plan, which is made a part of this agreement. Should the developer decide to make minor alterations to the detailed site development, such changes may be approved administratively prior to the issuance of building permits. Major changes to the plan will require review and approval, as per the El Paso City Code in effect on the date this Agreement is executed, prior to the issuance of building permits.

2. No off premise signs shall exist on the property at the time of annexation.

3. A twenty (20) foot wide landscaped buffer with high profile trees that meet the requirements set forth in Title 18 Section 18.46 shall be placed at fifteen (15) feet on center with irrigation systems, as per Title 18 Section 18.47, where commercial zoning districts abut residential zoning districts. Any landscaping required under this Agreement is in addition to the landscape requirements under the City Code and shall not be counted towards meeting the landscape requirements under the City Code.

4. Owner shall dedicate to the City a portion of ROW which is described in the attached Exhibit B ("ROW"), and contribute \$33,694.00 to a fund for the future Pebble Hills extension, attached hereto to the City as part of the subdivision plat approval process. Owner shall have no further obligations for off-site dedications, construction or improvements of streets except as required by the City of El Paso City Code.

5. Owner understands that a Traffic Impact Analysis (TIA) may be required by the Traffic Engineer. If a TIA is required, the Owner agrees to provide a (TIA) and the TIA submitted shall conform to the requirements of the City Code. Owner agrees to be responsible for constructing or contributing to the cost of construction of the traffic signalization and traffic calming devices ("Improvements") which the TIA indicates are necessary, attributable and proportional (the Owner's proportionate share) to the development of the Property. Notwithstanding the foregoing, the Owner shall be responsible for the construction of the interior road known as Morinda Court to a 54 foot width in accordance with City Code requirements.

6. Owner shall not request or be eligible for reimbursement for any cost associated or in connection with claims for overwidth paving from the City.

7. The City agrees that it has reviewed and approved the Owner's development plan a copy of which is attached hereto as Exhibit C ("Plan") which includes the construction of a proposed road referred to as Morinda Court and that Owner, may in its sole discretion, develop the Property in accordance with the Plan, provided that if Owner decides to develop the Property, the Property shall be developed in accordance with the Plan.

8. The City acknowledges that the Owner does not own the Roads and therefore Owner makes no representation, warranties or agreement as to the inclusion of the Roads in the application process. The city will coordinate and obtain the consent of any and all owners of the Roads for inclusion in the annexation process. The Owner shall not incur any costs or expenses as a result of the inclusion of the roads in the annexation application or this Agreement.

9. It is understood that the Owner's application for annexation was submitted prior to the adoption of the City of El Paso 2009 Annexation Policy and that the City Council directed that the Owner's application be processed under the City's Annexation Policy in existence prior to the adoption of the 2009 Annexation Policy. The Owner, its successors or assigns, shall not be responsible for the payment of any additional fees or costs required under City of El Paso 2009

Annexation Policy that were not a requirement under the Annexation Policy in existence prior to the adoption of the 2009 Annexation Policy.

Three: Owner hereby agrees that within 360 days of the passage of the ordinance annexing the Property, Owner shall apply for a subdivision plat in accordance with the procedures of Title 19 (Subdivisions) of the Code, provided, however, that if the extension of Pebble Hills to the intersection of Zaragosa has not been completed, then Owner is not required to submit a subdivision plat until the Pebble Hills extension has been completed. The Subdivision Code allows the Director of Parks and Recreation to accept park fees and to use those park fees in underdeveloped parks within the subdivisions park zone. The City agrees that such park fees shall be used to develop the park known as Tierra de Este 27, municipally addressed as 12701 Pebble Hills, which is an underdeveloped park within the subdivision's park zone. The Owner agrees that at the time the subdivision plat is submitted to the city, the Owner shall also submit covenants to restrict that portion of the Property designated in Section Five as C-3, to commercial use only.

Four: In addition to any other fees required by the Public Service Board Regulations, Owner agrees to pay a water and wastewater annexation fee to the El Paso Water Utilities-Public Service Board for each three-quarter inch (3/4") equivalent water meter that is connected to the public water system as follows:

<u>Meter Size</u>	(in Dollars) <u>Water</u>	(in Dollars) <u>Wastewater</u>
5/8" x 3/4"	885	157
1"	2,214	392
1 1/2"	4,427	784
2"	7,083	1,255
3"	14,166	2,509
4"	22,135	3,921
6"	44,270	7,842
8"	82,342	14,586
10"	117,758	20,859

The water and wastewater annexation fee shall be increased by three (3) percent on **December 1, 2012**, and each year thereafter, compounded annually.

Payment of the water and wastewater annexation fee shall be due at the time of application for water and wastewater connection to the system. Existing water and wastewater connections are not subject to these fees. The annexation fee set forth herein shall not be increased in relation to the

Property nor shall the Owner be responsible for payment of impact fees or other new fees, regardless how named, which may serve purposes identical to or similar to the Annexation Fee.

Five: Owner shall provide the City with one (1) mylar and three (3) paper prints of a current aerial map of the Property depicting the condition of the Property at the time of annexation to the City. Such aerial, and any other evidence necessary to demonstrate the existence of any non-conforming lot, use or structure on the Property at the time of annexation, shall be provided by the Owner within thirty (30) days from passage of the ordinance annexing Property to the City. The aerial and other evidence shall be submitted to the Zoning Administrator in the Development Services Department of the City for validation of such non-conforming lot, use or structure within the Property. City agrees that in conjunction with the annexation hearing process, the City will process an initial zoning of the property to C-3 and A-3 as shown in Exhibit C. The ordinance which annexes the property into the City will contain a provision which states that the property, upon annexation, shall be zoned C-3 and A-3 as shown in Exhibit C.

Notice: Any formal notice or other communication ("Notice") required to be given by one party to the other under this Agreement shall be given in writing, addressed to the Party to be notified at the address set forth below, by (i) delivering the same in person, (ii) depositing the same in the United States Mail, certified or registered, return receipt requested, postage prepaid, (iii) depositing the same with Federal Express or with another nationally recognized courier service guaranteeing "next day delivery," or (iv) sending the same by telefax with confirming copy sent by certified or registered mail. The Parties shall have the right from time to time to change their respective addresses, and each shall have the right to specify as its address any other address within the United States of America by giving at least five (5) days written notice to the other Party. If any date or any period provided in this agreement ends on a Saturday, Sunday, or legal holiday, the applicable period for calculating the notice shall be extended to the first business day following such Saturday, Sunday, or legal holiday.

Successors and Assigns: This Agreement is a restriction, condition and covenant running with the Property and a charge and servitude thereon, and shall be binding upon and inure to the benefit of the parties hereto, and their heirs, successors and assigns of all or any part of the Property. Any future conveyance of the Property shall contain the restrictions, conditions and covenants and shall embody this Agreement by express reference; provided, however, this Agreement shall not be

Remedies: This Agreement shall be enforceable in any court of competent jurisdiction by any of the parties or by an appropriate action at law or in equity to secure the performance of the restrictions, conditions and covenants herein contained.

In the event a Party (the "Defaulting Party") commits a breach of this Agreement, the other Party (the "Non-Defaulting Party"), shall, prior to bringing suit or pursuing any other remedy, provide written notice of such breach to the Defaulting Party. In the event the Defaulting Party fails to cure the breach within said period, then the Non-Defaulting Party may pursue any remedy provided at law or in equity.

Force Majeure: In the event any Party is rendered unable, wholly or in part, by force majeure to carry out any of its obligations under this Agreement, it is agreed that on such Party's giving of notice and the full particulars of such force majeure in writing to the other Party as soon as possible after the occurrence of the cause relied upon, then the obligations of the Party giving such notice, to the extent it is affected by force majeure and to the extent that due diligence is being used to resume performance at the earliest practicable time, shall be suspended during the continuance of any inability but for no longer period.

Severability: If any provision of this Agreement is held invalid by a court of competent jurisdiction, such provision shall be deemed to be excised herefrom and the invalidity thereof shall not affect any of the other provisions contained herein, provided that any invalid provisions are not deemed by the City or the Owner to be material to the overall purpose and operation of this Agreement. If the City or Owner determines that the invalid provision is material, then, if the City has made such determination, the City shall have the option to disannex the Property. If the Owner has made such determination, the Owner shall have the option to terminate this Agreement. Such judgment or decree shall relieve the City and the Owner from performance under such invalid provision of this Agreement.

Release or Partial Release of Requirement. Upon completion of the requirements ("Requirements") set forth herein by Owner, the Requirements shall be automatically released upon issuance of a letter by the City of El Paso's Development Services staff acknowledging the acceptance of the subdivision improvements called for by this Agreement or acknowledging that no subdivision improvements were required ("Approval Letter"). Once the Approval Letter is issued, no further action is required to release these provisions as to the Property covered by the City's

letter. Without limiting the foregoing, the Director of Development Services is hereby authorized to execute reasonable documentation of the release of the Requirements, in a recordable form, upon receipt of a request.

Entire Agreement: This Agreement contains the entire agreement of the Parties, and there are no other agreements or promises, oral or written, between the Parties regarding the subject matter of this Agreement. This Agreement may be amended only by written agreement signed by the Parties.

Governing Law, Jurisdiction & Venue: This Agreement shall be governed by and construed in accordance with the laws of the State of Texas, as it applies to contracts performed within the State of Texas and without regard to any choice of law rules or principles to the contrary. No Third Party Beneficiary: This Agreement is not intended, nor will it be construed, to create any third-party beneficiary rights in any person or entity who is not a Party, unless expressly otherwise provided.

Waiver: Any failure by a Party hereto to insist upon strict performance by the other Party of any material provision of this Agreement shall not be deemed a waiver thereof or of any provision hereof, and such Party shall have the right at any time thereafter to insist upon strict performance of any and all of the provisions of this Agreement.

Ambiguities: In the even of any ambiguity in any of the terms of this Agreement, it shall not be construed for or against any Party on the basis that such Party did or did not author the same.

Counterparts: It is understood and agreed that this Agreement may be executed in any number of counterparts, each which shall be deemed an original for all purposes.

Authority for Execution: Each Party hereby certifies, represents, and warrants that the execution of this Agreement has been duly authorized.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals and have caused this instrument to be executed by their duly authorized officials and the corporate seal affixed hereto, all on the day and year first above written.
